SIGNUP

All Civilian Defense Workers To Re-Register

Immediate re-registration of all Daly City Civilian Defense workers was initiated, this week, as A. J. Bodien, head of the local civilian defense council, began distributing the newly-printed blanks to all heads of services in the local setup. Purpose of the re-registration is to bring the master lists of civilian defense volunteers up to date, to eliminate from the file persons who are not active now, to provide a basis for an efficient reorganization of all the varied departments of civilian defense, and to make available to the Federal government information on what volunteers are entitled, by active duty, to insurance protection.

Simultaneously, all those local residents who have not as yet taken their places in the civil protection (Continued on Page 2)

Farralone Packers Lose First Contest

Daly City's Farralone Packers dropped into a tying position for top spot in the Peninsula Summer Baseball league, Sunday, as they took their first league loss. Belmont Merchants were the winners of the Marchbank diamond contest, by a score of 7 to 4.

The Packers took the lead in the third inning, but Belmont tied the score in the fifth and went out ahead in the eighth. Visiting battery was Botto and English, who gave up 14 hits, while Pera and Fenech, for the Packers, allowed 13.

Because of the two-day Memorial Day holidays, there will be no league games for the circuit next Sunday. The following week, June 6, Manager Charles Norry will take his Daly City team to San Mateo for a game with the Blues in that city. As a result of last Sunday's games, the Packers, Blues and Belmont are tied for league lead, with three wins and one loss each.

Councilmen Adopt Resolution Providing For Reduced Rate On Water Used To Grow Vegetables For Home Consumption

To encourage the establishment of Victory gardens in Daly City and the growing of fresh vegetables to help meet the food shortage, a resolution adopting a reduced water rate to residents of the community for water used in their gardening was unanimously adopted at Monday night's council meeting at the city hall.

Other important business transacted included the granting of one more 10-day stay of condemnation proceedings against the Haskins' properties, 6951-95 and 5 and 7 Bismark streets; the acceptance of the resignation submitted by Mrs. Irene Bartel, popular Water department employee who plans to join her husband, who has been transferred to Seattle; disposition of the tin monies account which has been kept on the general city books but which should be in a separate trust fund in the eyes of the council and committeemen involved; and the signifying of the entire council's intention to attend and cooperate with the open house program at the Daly City Servicemen's club, Saturday evening, May 29.

A. R. Haskins, proprietor of the

property under fire, was present at Monday night's meeting and declared he could have all major repairs and corrections necessary under health and sanitary regulations made at the end of the 10-day period. A motion, made by Councilman Eugene V. Lynch, was unanimously passed granting the 10 days but stipulating that, if at the end of that time Haskins had not brought the properties into such condition that they could pass a reinspection by city and county health officers, the city attorney would be instructed to start eviction proceedings at once.

The resolution, No. 832, which will grant special reduced rates to residents maintaining Victory gardens, was unanimously passed, Monday night. It applies only during the season 1943 for water used within the city for growing vegetables for home consumption. The rate was established subject to the following limitations, rules and regulations:

1. maximum allowance for such garden usage to which special rate will be applied will be limited to the volume of water com-

puted to the nearest 100 cubic feet on the basis of a 2 foot depth over the actual area of ground devoted to vegetable growing, providing that such special rate shall not be applied to any garden less than 100 square feet in area. The reduction allowed for such special rate shall be 15 cents per cubic foot of water used on the basis provided.

2. to secure benefit of the special rate, the consumer must make written application to the water department for such special rate after garden is laid out and planted. A representative of the water department will measure and determine to the nearest 100 cubic feet the volume of water to be allowed for such garden. All applications must be made on or before July 1, 1943, and none will be considered thereafter.

3. all water bills will be computed on the basis of the regular established meter rates and the special rate will be provided by the application of a credit to the regular bill at the rate of 15 cents per 100 cubic feet for the value of water allowed for Victory Gardens (Continued on Page 2)

OPEN CLUB

Dedication Ceremonies Set For Saturday Night

The Daly City Servicemen's club is now a reality and official dedication ceremonies will be held, Saturday evening, May 29, starting at 7:30 p. m. The public is invited to attend the program and open house. Organizational groups are especially urged to be represented by the committee in charge, which includes Mrs. Anne Eason, Mrs. Maisie Boyle and Mrs. Margaret Steele.

Located at 6201 Mission street, the club has been furnished and equipped to provide an attractive social center for servicemen stationed in this area. A radio, phonograph, piano, ping pong table, comfortable chairs and chesterfields, facilities for letter writing and games are all available.

At Saturday night's dedication, Mayor A. J. Gaggero will speak. Other members of the city council and department heads will be in attendance, as well as Lieutenant Mark A. C. Young, representing one of Daly City's camps.

The committee in charge of the club announces that after the official opening, the hours at the center will be from 6 to 11 p. m. daily. It is expected that various fraternal and social organizations will act as hosts at the club, taking turns at this service.

Contributions of cash to carry on the hospitality program are still being sought by the committee and everyone was urged to "help make a success" of the club by Mrs. Eason, spokesman for the group at Monday night's council meeting.

Refreshments will be served at (Continued on Page 7)

Canes Campaign Nears Total Of 200

Nearly two hundred canes have been contributed in Daly City's drive to aid wounded servicemen. A. J. Bodien, head of the civilian defense council, who took charge of the current campaign, today, issued a statement of thanks to all who have given canes. Especially did he praise the fine work done by pupils at the local schools.

The entire collection will be turned over, late this week, by Bodien to the San Francisco League for Servicemen, which acts as a distribution agency in this drive to collect all available canes for the use of wounded sailors and soldiers at Bay area hospitals.

Armed Forces Ask For Eighty-Eight Men

Daly City Draft Board No. 103 has received notification that on June 18 they are to meet a quota of 88 men for the armed forces, according to Mrs. Isabelle Flynn, clerk. The new draftees will have a 14-day furlough, instead of 7 as is now the case, giving them a longer period in which to wind up their civilian affairs.

The June 18 call is the only one slated for June as yet.

There were two local men in the group which reported for induction from this board, Saturday, May 22. They were Peter Maffei, 70 Cavour street, and Herman John Segale, 15 Beta street. Both were inducted into the U. S. Army. They leave for Monterey, Saturday, May 29. The May 22 call was for only thirteen men.

Drunk Driving Lands Man In Court

Tomorrow afternoon, May 28, at 2 p. m., Samuel McAfee, San Francisco motorist, will face Judge William J. Sweeney in city court to answer charges of driving while drunk, with bright lights on in dimout area.

Last Wednesday, May 19, McAfee was apprehended at 11:15 p. m. driving a Lincoln Zephyr north on Mission street with bright lights on. When stopped by Officers August Benassini and Walter Davis, he was found to be intoxicated. He was jailed and his car sent to Daly City garage.

Thursday morning, May 20, he was released on \$100 cash bail to appear in court, May 28.

School Children In District Salvage Two And One Half Tons Of Tin Each Month

Above are a group of boys from Woodrow elementary who helped load the truck with tin during the last big collection day. They are: standing, left to right, Allen Seiler, Keith Claussen, James Blake-more, Tom Fazendin, Herbert Derungs, Robert Ledterman, George Curry, and Kenneth Bradshaw; kneeling, left to right, James Petersen, Arnold Heggelund, Warren Igenstein, Rodney Duffy, Donald Rutherford, Robert Heagney, and David Plyer.

To the right is the big truck of the Daly City Scavenger company, piled high with tin. The company has been patriotically hauling Daly City's collection to the Metal and Thermit corporation in South San Francisco periodically for processing since the tin drive began. On the truck are Fred Simocini and Ambrosio Delfino.

Another contest to see who could collect the most tin at each school in the Jefferson Elementary School district has just been concluded. Winners, who were rewarded with a ride in an "honest to goodness" U. S. Army jeep, yesterday, included Estelle Parodi and Joseph Arrighi, Jefferson; Andrew Barone and Evelyn Blandini, Crocker; Eloise Harrison and James Dorman, Woodrow elementary.

With the efforts of the local pupils, who serve as collectors, and patriotic housewives who save and prepare their tin cans properly by cleaning and flattening them, Daly City has been able to average approximately 2 1-2 tons of tin per month, according to Salvage Chairman R. L. Crane jr.

Crane made another appeal for sensible cooperation to Daly City residents, today, when he pointed out that tins which are not properly prepared are worthless or worse.

Most Groups Get Monday As Holiday

The Daly City Police department and the local post office will be almost the only groups to whom Monday, May 31, means "business as usual." All other city departments, the Daly City and Colma branches, Bank of America, public and parochial grammar schools, Jefferson Union high, and most business offices and stores will be closed.

Since Memorial Day, May 30, falls on Sunday, the next week day, Monday, May 31, will be the legal holiday in its observance.

Mail Book Three Form Right Back!

Postmen have nearly completed the distribution of application cards for No. Three war ration books in the Daly City area.

The Office of Price Administration stated that 4,000,000 application cards would be delivered in the state and that the recipients would apply for approximately 8,000,000 books, which will provide residents new stamps to replace those running out in existing books. Distribution of these application cards will continue until June 5.

Because the men of San Quentin prison, under the direction of Warden Clinton T. Duffy and OPA officials are handling the distribution in California and have their mailing facilities completely organized and in readiness for this tremendous job, State OPA officials urge all applicants to ignore the printed instructions, and mail their applications IMMEDIATELY to speed up the distribution. While the applications ask that they be mailed between June 1 and 10, Californians can mail them just as soon as they are filled out, they said. According to Duffy, the men of San Quentin have established a complete mailing center at the prison and are prepared to handle a peak load of 300,000 applications a day. Over 1000 men have volunteered within the prison to work on this project and the whole operation has been streamlined and (Continued on Page 2)

Men In Service

RETURNS TO LA JUNTA

Private Ben George Rosenberg, who is in the U. S. Army Air Corps, recently returned to La Junta, Colorado, after spending a two week furlough at the home of his parents, Mr. and Mrs. S. Rosenberg, 876 Brunswick street. Private Rosenberg, who was a pre-medical student at the University of California for 2 1-2 years, will soon be sent to a university to continue the study of dentistry.

During the two weeks' furlough, Rosenberg's fiancée, Miss Estelle Cohen, Sacramento, was a guest at the Rosenberg home.

SECOND LIEUTENANT

Almost a year to the day that he entered Uncle Sam's Army, Fletcher Cook won a commission as second lieutenant. Cook, the son of Mrs. Louise T. Cook, 6279 Mission street, was graduated from officers training school at Fargo, North Dakota, last week.

The lieutenant is to be stationed at Atlanta, Georgia, in the Department of Army Administration. He attended local grammar schools, and was graduated from South San Francisco high school, and the University of New Mexico.

WITH SEABEES

Richard Grantham, who formerly resided at 1075 Hanover street, here, is now with the U. S. Navy's Seabees in the Aleutian area. He took his training in Rhode Island and has seen nearly a year of service. His parents, Mr. and Mrs. William F. Grantham, recently moved to Berkeley.

GRADUATES WITH HONORS

Private First Class Bob Rosenberg, son of Mr. and Mrs. S. Rosenberg, 876 Brunswick street, was graduated with high honors from the Army Air Force Technical school in Chicago, recently. He was offered a position as instructor in radio operations and mechanics, but declined the offer in favor of the Army Air Transport Command. He is now stationed at Fort Wayne, Indiana.

den purposes. The credit allowance so computed will be the total allowance for the premises for the season and will be applied on the water bills for the month next succeeding the granting of said application and subsequent bills thereafter until the total credit allowance has been used up. Only one credit will be allowed on one property during the season.

4. the special rates will not apply to commercial gardens or to properties outside the city limits.

5. if new service is installed for Victory gardens it shall be considered temporary and subject to all the usual rules and regulations.

6. where use of the garden area is abandoned or discontinued the water department is given the right to cease application of further credit allowances to the consumer.

Full details of the program will be enclosed with the next set of water bills sent to local consumers.

NEW ROMANTIC TEAM

Ronald Colman and Greer Garson are co-starred for the first time in M-G-M's "Random Harvest" at the Daly City theatre. The film is adapted from James Hilton's poignant and memorable best-selling novel.

BOOK THREE

(Continued from Page 1)

departmentalized. The work is expected to be completed within sixty days.

The application cards are ready for re-mailing. The applicants are requested to send them back as first class mail; if they are mailed from San Francisco a 2c stamp is required, and a 3c stamp from other parts of the state.

Each card is divided into three parts as follows:

(1) An identification stub which is to be detached and retained by the applicant.

(2) An application on which is to be typewritten or printed plainly, in ink, the name of the head of the family and the address to which the books are to be sent.

(3) The card on which should be listed the name and age of everyone (including the head of the family) who is to get Book Three.

One application will do for all members of a family living under the same roof and eating at the same table, whether or not their surnames are the same. Individuals living alone, or who live with but are not a part of a family, or who share living quarters with other individuals must make out separate applications and cannot be included on a "family" card.

After filling out the card and detaching the identification stub, the applicant will affix the proper postage, as though for a letter, and drop it in the mail box IMMEDIATELY, at least before June 10. No addressing is necessary, as each card will contain the printed

address of the OPA mail center service the particular area.

At the mail center, the men of San Quentin will detach and file that part of the card listing the members of the applying family for permanent record. The application card will be placed in a special envelope containing a window through which the name, address, and serial number will be visible. This envelope also will contain the family books. Thus, the head of each family will have self-addressed the envelope. The mail center will begin sending out the books immediately and the entire job is scheduled to be completed by July 21.

If the books do not arrive, the householder takes the stub he has retained to his local board and there fills out another application. This is forwarded by the board to the proper OPA mail center and the serial number is checked against a master file which contains all incomplete or illegible applications and all books that have been returned because of faulty addressing. If this file does not turn up the missing books, it will be assumed that the books actually were mailed to the proper address. In this case, the applicant will be required to execute a special affidavit form to the effect that the books never were received, and after due investigation, will be given a duplicate set.

All applications for Book Three must be in the mails by midnight, June 10. Those postmarked later will not be processed until after August 1. Local boards will not accept any applications between June 1 and August 1.

tion program are urged to do so. All branches are open for more workers. Those who have never signed up before are asked to call at Room 2, city hall, 75 Wellington avenue, in the next two weeks, to register.

Tonight, May 27, the civilian defense council will hold its regular meeting, beginning at 8. A control board center drill will follow the business meeting.

Last Thursday evening's reorganization meeting of the rescue and demolition squads was highly successful, according to Bodien. The group has divided itself into two crews, one of which will report at the Co. No. 2, D. C. F. D., firehouse and the other to No. 4 firehouse. Crew members will take their training with the auxiliary firemen. Louis Canapa heads No. 4 crew, and Gus Donati, No. 2 crew. Anyone interested in volunteering for the demolition crews is asked to contact Canapa or Donati.

Return Incumbents In School Elections

In an unusually quiet election, Friday, May 21, Daly City gave complimentary votes to all of its incumbent school trustees. In spite of the fact that this newspaper carried announcement stories of the election and that notices were sent home immediately prior to the date by the school children, the turnout at the polls, Friday, was light.

In the Jefferson Elementary School District Trustee election, Louis Nava, incumbent, was elected to serve a term of 3 years. Mrs. Stella Jensen and Andrew Vireno, veteran members of the Jefferson Union High School District Board of Trustees were returned to office for another 3-year period.

In Daly City, as throughout the county, strong complimentary votes were given to both Mrs. Jensen and U. S. Simonds jr. for places on the San Mateo Junior College Board of Trustees.

Need For Block Mothers Desperate

Daly City, which needs a minimum of eight hundred Block Mothers to adequately protect its children in the event of alerts or raids, has only twenty volunteers for this vital Civilian Defense service, according to Mrs. Adele Hanelt, organizer.

She made an urgent appeal, today, for more local women to get behind the drive to organize an adequate Block Mother service for this community.

"Possibly many women do not realize how little effort is actually called for," she said. "All that is necessary for a Block Mother to do is to provide a refuge room and take a simple course in first aid," she explained. "Only day-time hours are involved as the service does not operate at night when it is assumed families are on hand to protect their own children."

The Block Mother provides a refuge for children in her neighborhood when a day-time alert or raid occurs and parents are absent from home or the children are too far distant from home to get there in the allotted time.

All local women wishing to volunteer for this important field of duty may do so by calling Mrs. Hanelt at Delaware 7984 or Mrs. Sidney Bryant at Delaware 9907.

In addition to Mrs. Hanelt and Mrs. Bryant, the following women have signed up for Block Mother duty: Mrs. James Mullen, 960 Hanover street; Mrs. Lyl Ingersoll, 439 Crocker avenue; Mrs. Hazel Keagle, 64 Wilson street; Mrs. Virginia M. Davidson, 581 Hanover street; Mrs. Mabel Becker, 824 Templeton avenue; Mrs. Elizabeth M. Powers, 538 Winchester street; Mrs. Della Lydick, 3298 San Jose avenue; Mrs. Ethel Bryant, 543 San Diego avenue; Mrs. Lucille Lemon, 267 Los Olivos avenue; Mrs. Rose Eaveshin, 262 Los Olivos avenue; Mrs. Mabel A. Olson, 370 Irvington street; Mrs. Edna May Eichinger, 106 Peoria street; Mrs. Catherine Ricci, 160 Peoria street; Mrs. Plendora Benassini, 99 Cavour street; Mrs. Dorothy Kramer, 231 Acton street; Mrs. T. Coker, 368 Irvington street; Mrs. Eva Derrick, 47 Risel street; Mrs. Katie Sadler, 31 Risel street; Mrs. Peggy Radford, 213 Los Olivos avenue.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

Colma Canteen Whist "Very Successful"

"Very successful" is the phrase to describe the big benefit whist held for the Colma American Red Cross Disaster canteen, Friday afternoon, May 21, at Colma Community center. Mrs. Janette Fellman, assisted by Miss Jean Belli, conducted the card party.

There was an abundance of prizes. After these were awarded, and the \$5 book of War Savings stamps presented to Mrs. Lena Jensen, delicious war-time cakes and coffee were served. Mrs. Grace MacDonald, chairman of the canteen; Mrs. Ludwiga Jost and Mrs. Rena Moresco were the committee in charge of refreshments.

The Colma AWVS Juniors sold more than three hundred tickets for the special event of the afternoon. They also did K. P. duty.

Mrs. M. Pauline Brown, general chairman for the whist, announced that, thanks to the kind cooperation received, the disaster canteen committee now has sufficient funds to pay for the modest program they have outlined for themselves.

PLANNING ISN'T NEW

THE way a lot of people are talking these days, you'd think planning is something new.

But anybody who's ever run a farm or a factory knows that if you don't plan, you can't get the most out of what you have to work with.

To plan properly, the farmer has to know about crops, soils, seasons, tools, and stock; and the man operating a factory has to know about machines, markets, science, and engineering.

Yet for all this specialized knowledge which each of these activities requires, the managers of both farm and factory have much in common in their planning. They have the same problems—to mention a few—of employment and taxes, of costs and a fair profit, of setting aside reserves for a "rainy day."

And they have the same objective in their planning—to do everything they can for their country today, and, tomorrow, to make a fair living through greater service to their fellow Americans. General Electric Company, Schenectady, N. Y.

BONDS 'N STAMPS

Well, boys, hide your faces! Who said the girls couldn't beat the boys? The results for the Bond and Stamp competition week of boys against the girls proved if they could or not. The total for the girls was \$6,355.50; and for the boys \$3,231.45. The grand total for both was \$9,586.95. Impossible? Not for Jefferson!

The boys had to make up for losing. They were to carry a girl's books whenever they were asked to, and also to clean up their luncheon leftovers.

You can't say this drive wasn't a success.

A great deal of credit goes to Dorothy Nelson who brought in a total of \$2,000.00 for the female War Bond cause. Good for her!

At first if you don't succeed, try, try, again boys!

SPORTS

June 4 is the date! The seniors will tackle the new Varsity in a football game. The sen-

iors' first team will run something like this: L. E., Ralph Capps; L. T., Jerry Martin; L. G., Al D'Elia; C., Rod Dawe; R. T., John Mosman; R. G., Copley Lloyd; R. E., Eugene Ghilarducci; R. H., Bill Freeman; Q. B., Tom Callan; F. B., Vince Barsi; and L. H., Matt Borg.

EXECUTIVE BOARD

The meeting was called to order Tuesday, May 18, by President Ralph Capps at 8:03 a. m. The minutes were read and approved.

Petitions for election were to be handed in by Monday. Speeches were given Wednesday and election was held today.

The meeting was adjourned at 8:15.

A special executive meeting was called to read the revised Constitution on Wednesday, May 19 and Friday, May 21.

FACULTY

R. L. Gray, a well-liked teacher at Jefferson, has gone to serve in the Red Cross. Before he left he was presented with two gifts from the faculty and students. He was given a leather brief case and twenty \$1 bills.

Miss Emma Hawkins is taking Gray's place and seems to like it very much. Miss Hawkins is a graduate of the University of California, where she majored in mathematics and physics and minored in chemistry. She is a native of Indiana but insists she feels more like a Californian.

Mrs. Effie Anderson's successor is Miss Yvonne Whitehurst, a native of Santa Clara county and a graduate of Mills college, where she majored in creative art and the history of art. Her main hobbies are photography and collecting illuminated manuscripts while other interests are music and dramatics.

ABOUT SCHOOL

A tragedy! Thursday, May 13, the executive office was honored with a new guest, but not for long. In the window of the office the Naturalist Society established an aquarium. Last week the guest was a gopher found by one of the students. He was quite an attraction that day. The next day the poor little gopher was found practically dead, so John Harville put him out of his misery.

Victory garden owners are told to watch out for gophers—even if they needn't worry about this one.

SENIOR NEWS

The seniors are beginning active work on the Senior Edition. They say that anyone who didn't order one is going to be sorry, because this is the best one they have ever issued.

The seniors have received their personal cards and memory books and are busily engaged in trading them.

Their Senior Ball is scheduled for June 4.

MEMORIAL DAY

Memorial Day has always been tinged with the pathos and sadness of ageing soldiers, tottering feebly along under the flag. Few veterans of the Civil War survive, but they were proud to the last, proud of their participation in preserving the unity of our nation.

Memorial Day now numbers all the "veterans of former wars," living or dead, and at the close of World War II, our debt to those who fight, that national liberty may live, will have increased a hundredfold.

American casualties in action on all battle fronts, in all services, during the seventeen months at war, are more than 80,000 now, with a possible 5000 more when all counts from the North African campaign are in. That represents more than eight times the normal number of deaths.

When the war is done, and the final toll taken, in spite of blood plasma and increased efficiency of battle surgery, the world will have lost great numbers of men. Many of the young, the strong, the fine, the able-bodied, the brilliant, will be gone. Some of them would have written great books, composed great music, painted fine pictures, become great statesmen, fathered fine children for the nation's future.

For a little while after each war, we tell each other these things and sentimentalize about it. Then we forget. We try to go on in old impractical ways that have been proved invalid. We let tyrants develop themselves. We let ourselves or others be subtly robbed of little freedoms until whole nations are enslaved. And soon again there is war—fire, drum, and battle.

May some Memorial Day in the future stand for a hundred warless years, and count not a single veteran of any war in its parades. To that end we salute this day!

ALTERNATIVE TO CAPITALISM

In condemning "some post-war planners in positions of power" who urge that the United States follow the leadership of Germany by planning to have the government provide jobs for everyone after the war, Eric A. Johnston, president of the U. S. Chamber of Commerce, warns that: "The economic theory behind the belief that the state must take precedence over the individual stems from the fallacy that the age of American development is a closed chapter and that business has reached its ultimate maturity."

Actually American development has barely started. Nowhere is this more evident than in the production revolution of the past twelve months. The manufacturing and natural resources industries have achieved miracles. They have overcome a lack of battle equipment that could easily have led to military defeat. And they did it with a degree of dispatch and efficiency that left the swivel chair planners gasping. The miracles they have achieved in war can be multiplied in peace, providing the capitalistic system, under which they must operate, is preserved. Under it the coal and metal mines, the oil, power and transportation industries which have made victory possible, can insure progress in the future.

Those who promote the idea that "business has reached its ultimate maturity" or that "American development is a closed chapter," do not have faith in the capitalistic system. They would cripple private industry as the prime source of jobs and tax revenue. They would shift the burden of employment to political agencies, and taxes would fall on the shoulders of the workmen hired by those agencies. The party in power, as the sole employer, would eventually demand political allegiance from all. The bargain would be sealed. The people would have jobs and the government would have their freedom. That is the alternative to capitalism.

THE NEW FRONTIER

Every great war opens a new frontier. Prior to the first world war, the frontiers were geographic. The civil war was followed by the great westward trek of war weary men and women looking for new opportunities and a new life. With the close of the current conflict, at least a major portion of the new frontier, like that of 25 years ago, will be in the industrial field. But instead of automobiles, it will lie this time in the scientific development of the nation's natural resources. Research men of the coal, metal mining and oil industries, working quietly in laboratories surrounded by military secrecy, have lifted the veil of the future. They have seen the new frontier in all its promise, and enough hints regarding its nature and extent have leaked out to stir the imagination of the man in the street.

The miracles of the sulfa drugs, derivatives of coal, are just one phase of the coming revolution in discovery and research. Rubber synthetics are multiplying almost by the score, along with plastics and other materials, each of which can easily mean the establishment and growth of an entire new industry. Beyond these is a vast realm of discovery of which the public as yet knows nothing. There is a petroleum synthetic, for example, that is effective for its purpose even when diluted in a ration of one part in 100,000,000; it is handled in a "concentrate" of .01 per cent. The future will see 100,000-mile tires, 20,000-mile lubricating oils, 50 to 70-mile-to-the-gallon gasoline, and sealed cooling systems with petroleum-product liquid in both cars and planes.

This country has just begun to grow. Individual initiative and the capitalistic system are inseparable from the American republic type of government. They have barely begun to flex their muscles. If the way is kept clear, they will make the past seem puny by comparison with the future. The way for future achievements can be kept clear only by a steadfast resolution that in this country government must not be the sinister competitor of free enterprise. This is as true of the natural resource industries as of the smallest popcorn stand. These industries hold the future of a new frontier. It will never materialize except by the efforts of free men under the stimulant of private ownership and management.

MAY 31 IS DEADLINE FOR C HOLDERS' TIRE INSPECTION

Automobile owners operating on B and C gasoline rationing books are urged by the California State Automobile association to make plans now for their second 1943 periodic tire and wheel inspection.

Required under the mileage rationing program, the C coupon holders' next tire inspection deadline falls on May 31, while B coupon holders must adhere to this rule on or before June 30.

The wartime shortage of manpower is being felt at service stations and garages as in other businesses, the automobile association points out, making it imperative that inspections be scheduled so as to avoid a last-minute rush on the official inspection depots.

The inspection deadline dates for B and C book holders are computed from the initial inspection date of February 28, with B mo-

torists required to have their tire inspections once every four months, but not less than 60 days apart, and C holders, once every three months, but not less than 45 days apart.

Motorists holding A coupons have until September 30 for their second inspection, on an every six months basis, computed from March 31, but not less than 90 days apart.

Studebaker Aids In Farm Program

The vital importance of the farm truck in wartime has been obscured by the seriousness of farm man power and machinery problems, according to K. B. Elliott, vice-president in charge of sales of the Studebaker corporation.

"The country has not fully recognized that it will be difficult to accomplish the desired farm production objective this year if sufficient truck equipment in usable condition is not available," Elliott told a group of Studebaker field representatives meeting in South Bend, recently.

"Success of the 'Food for Victory' campaign involves transportation for harvesting and movement of foodstuffs to markets or processing plants," Elliott pointed out. "It involves the haulage of live stock and all kinds of farm supplies and equipment."

"In this situation, the knowledge, the experience, and the facilities of the automotive industry, both manufacturers and dealers, are needed to help meet these urgent wartime farm transportation problems. With this in mind, Studebaker has prepared a special booklet which contains data on the care and operation of farm trucks. This booklet in the near future will be offered to all farm truck owners through Studebaker dealers."

READING & WRITING

BY Edwin Seaver AND Robin McKown

LEST we forget: May 10, 1933, the Nazis burned the books of the world's greatest writers to signalize the death of culture. Today, in the U. S., the Council on Books in Wartime says "Books Are Weapons in the War of Ideas" and commemorates the day by working for the widest possible distribution of the world's best books.

MAC KINLAY KANTOR

country is fighting to preserve.

We have only to take a look at some of the recent books to see how true this is. Berry Fleming's novel, "Colonel Effingham's Raid," and William Saroyan's "The Human Comedy," both featuring typical small communities, have been extremely popular Book-of-the-Month Club selections. And no doubt "Colonel Effingham's Raid" will be as successful a movie as "The Human Comedy" has proved.

Another book of this trend, soon to be a motion picture, is "Happy Land" by MacKinlay Kantor. This is a simple and beautifully told story about a typical small town, and about Lew Marsh who ran the town's most popular hangout—Marsh's Drug Store. Lew's son, Rusty, joined up with the U. S. Navy early, and he was one of the first casualties. When Lew Marsh learned his son was dead, he brooded about it. Why? he kept asking himself, why had it happened to Rusty? It wasn't fair.

Then one day he had a caller. The caller was his own grandfather, and he was most unexpected, since he had been dead for twenty years. Grampa, a Civil War veteran, had come back for the purpose of talking a little understanding into his grandson. And it was through him Lew realized that "As long as kids can play Indian in the corn . . . as long as American boys can be Boy Scouts, as long as they can eat ice cream, as long as they can do a good turn daily, as long as they can play football, or have a picnic in Briggs' Woods . . . it'll be worth while."

A good gift for a soldier friend is "As You Were," a pocket-size volume of some of the best in American prose and poetry, edited by the late Alexander Woolcott. It's a wise idea for a soldier to carry a book around with him when he's on leave, Woolcott counsels. He discovered that in the last war. It seems that the M.P.'s in Paris were always accusing the soldiers of being A.W.O.L. On one memorable occasion, however, Woolcott spent a whole evening in Paris without being stopped. He was carrying a book under his arm. After that he always carried one, and was never stopped again. It was apparently unthinkable to an M.P. that a bookish soldier could be on the loose.

BANQUET, DANCE

Saturday night, May 22, the veterans of Company No. 4, D. C. F. D., Social club held a banquet and dance at Ric's Place. Those who enjoyed this annual affair were: Chief and Mrs. A. P. Chesney, Assistant Chief and Mrs. A. J. Bodien, Captain and Mrs. Al Sundstrom, Lieutenant and Mrs. Fred Mather, Mr. and Mrs. Andrew Vireno, Mr. and Mrs. R. Foppiano sr., Mr. and Mrs. B. Foppiano jr., Mr. and Mrs. Henry Sunderman jr., Mr. and Mrs. Al Perada, Mrs. George Augustein, Mrs. W. Davis and Jeff Lee.

The entertainment was disturbed by one fire alarm, but in spite of answering the "call to duty" the men and their guests spent a very pleasant evening.

High School P. T. A. To Hold Board Meeting

The first executive board meeting of the new term will be held by Jefferson Union High School P. T. A., Thursday, June 3, at the home of Mrs. Catherine Foreman, 35 Woodrow street.

Luncheon will be served by the hostess at 12:30 p. m. Plans are to be made for the coming year and chairmen for 1943-44 ratified.

Mrs. Ida Hanley, the new president, will preside.

Telephone Co. Requests Limit On Long Distance

The Pacific Telephone and Telegraph company is now starting to ask the cooperation of Long Distance telephone users to limit their conversation over heavily loaded lines to 5 minutes, according to Lyle M. Brown, local manager of the telephone company.

The goal is to speed up telephone traffic over congested routes during hours when demand is heaviest and calls are subject to delay. At such times of peak demand the operator will say at the start of conversation, "Please limit your call to five minutes—others are waiting."

San Bruno Baptist Announces Topic

Next Sunday morning Reverend J. C. Baldwin, pastor of the First Baptist Church of San Bruno, located on the corner of Acacia avenue and Crystal Springs road, will speak on the subject "Not I But Christ."

The Vested Gospel choir will bring a special message in song, and the pastor will also bring a story to the Junior church, which meets with the adult church services for the first half of the worship period. The nursery is provided for the smaller children.

The Young People meet at 7 p. m. at the church for their regular Young People's Fellowship meeting.

At 8 p. m. Mr. Marcus will open the evening services with an enthusiastic Singspiration of old time favorites and new inspirational choruses. The subject of the evening will be "The Model Christian."

The public is cordially invited to all the services of the church.

Get Studebaker service and keep your car up to par

CARS that are allowed to deteriorate in operating efficiency may affect the success of the entire wartime transportation effort. Don't let your car become a liability when it should be a help. Have frequent inspections made so that serious trouble won't get a chance to develop.

No matter what make you drive, you'll find that the Essential Transportation Workers employed by Studebaker dealers are thoroughly qualified to help keep your car in tip-top condition. They use special wartime servicing procedures that were worked out by factory experts in the great Studebaker engineering laboratories and on the famous 800-acre Studebaker proving ground.

Bring your car in regularly—at least once a month—for a careful Studebaker check-up.

FAIR WARNING

...before you board
the Train!

Train travel is different in wartime. Nowadays S. P. trains are generally crowded, often late, and some cars aren't bright and shiny like they used to be. You may have to wait quite a while to get into the dining car on some trains.

The reason is—our war job!

Equipment, including dining cars, must be diverted constantly for military use. Troop trains and war freights often move over our lines on emergency schedules to which regular service must be adapted. The need for cars is so pressing that it is often impossible to take them out of service for renovation and overhaul.

We are short of cars, locomotives, manpower—but we're putting first things first and pushing the war trains through. After the war is won, S. P. hopes to make up to you for today's uncomfortable train travel. Meantime we suggest you follow this...

Wartime Traveler's Guide

1. Unless your train trip is really essential please don't make it.
2. If you must travel, do so on Tuesdays or Wednesdays or Thursdays. Avoid week-ends—that's when our trains are most crowded.
3. Cancel space reservations promptly if your plans change. Train space is too precious nowadays to go unused.
4. Travel light—take with you on the train only baggage you'll need on the train. Check other baggage at least a day in advance.
5. Help stretch available train accommodations by buying just the space you really need—no more, no less. Share your bedroom, compartment or drawing room with a friend.
6. Eat before you board the train if possible. For many trains it may be well to bring your lunch or buy a box lunch (for lunch or any meal).
7. If you eat in the dining car, please remember other folks are waiting. No need to bolt your meal—but please don't linger over it.

Just for Fun — Picnic at Home

Lack of time, tires and gas may mean that picnics in the woods, at the seashore or in the mountains are out of the question during the week-ends to come. But there's nothing that says we can't picnic at home. A backyard or nearby park, or even the roof of an apartment house offers opportunities to get out of doors. It's surprising how delicious commonplace meals taste when eaten out in the open, even if it is only a few steps from the kitchen.

THE GOOD NEIGHBOR POLICY — Picnicking is a grand way for the entire neighborhood to get together and have fun. And if there are children of the romping age, the out-of-doors has added advantages.

Everyone can bring one part of the menu and everything can be pooled for a complete meal. Each family can contribute its share of meat, vegetables and the like to be made into sandwiches, salads, and other offerings. Or the neighbor who has chickens, rabbits or eggs might want to make his contribution accordingly, as well as the neighbor who has the prize Victory garden. In any neighborhood, there are always some people who are long on some foods and short on others who would welcome this chance to share.

To make it a real party affair, let your neighborhood gathering be followed by a good old-fashioned sing fest. It's lots of fun.

THE PICK-UP AFFAIR — Remember how you used to decide at the last minute to go to the woods for a spontaneous picnic? Pack the same kind of a last-minute lunch or supper and take to the backyard. Plan and pack the eats just as though you were going miles away from home. That eliminates running in and out of doors for something every other minute.

PORTABLE MEALS — Casserole dishes are easily transportable for either planned or last-minute picnics. Bring the casserole out oven-hot at the last minute.

WESTERN PIPE GETS M PENNANT

Original delivery schedules for ships have been cut in half, but "that is not enough," Admiral Emory S. Land, Maritime Commission chairman, said Sunday while awarding the commission's "M" pennant and "Victory" flag to the Western Pipe and Steel company in recognition of outstanding production.

"The Axis powers today are making a last desperate bid in the battles on the oceans," he said. "They know that failure to stem the enormous flow of men, munitions and supplies that are pouring from this great arsenal of the democracies into the battle fronts throughout the world means defeat.

"They are being beaten in the air and on the land. We are overcoming their submarine threats. The submarines are still dangerous but they will not be disastrous. You are licking them," he said in making merit awards to 10,000 workers of the shipbuilding company at ceremonies attended by company and Maritime officials. The "merit award," Admiral Land said, "is as truly a decoration for distinguished service as any medal awarded our fighting forces.

"It is sometimes difficult for men and women in a shipyard to realize that they are performing one of the most essential tasks in this vast war effort.

"Without the ships that you and other yards in the Nation are turning out, there could be no victory. . . . The particular type of vessels you are constructing will be an important factor in re-establishing our Nation in its proper position in maritime commerce in after war years."

Accepting the awards was L. W. Delhi, vice-president of the company, who said his firm was proud of its association with the Navy, Maritime commission and organized labor which had made it possible for work to continue every single day without interruption since the first keel was laid in February, 1940.

Sugar for Home-Canning Made Available By OPA

Daly City housewives who have been puzzled about obtaining sufficient sugar for home-canning purposes were issued explicit instructions by War Price and Rationing Board No. 83-12-3, Monday. Miss Genevieve Blue, chief clerk, revealed that OPA had made Stamps No. 15 and 16 in War Ration Book One good for 5 pounds of sugar each, starting Monday, May 24.

The public will be on an "honor system" and will not be required to appear before rationing boards for approval of the extra allotments. However, all residents are urged to use No. 15 and 16 for canning sugar only. For those who have already been issued 25 pounds of sugar for canning on a certificate stamp the stores will not validate Stamps 15 and 16.

To make marketing easier for consumers and retailers alike the OPA has extended the blue ration stamps, G, H, and J, for processed foods, from May 31, the originally announced expiration date, to June 7. Stamps K, L, and M, the June allotment for processed foods, became valid Monday, May 24, and instead of expiring at the end of June will be good through July 7. The two-week overlapping period is expected to even up the purchase of canned goods.

OLPH GRADUATION

Sisters of St. Joseph of Orange, teachers at Our Lady Of Perpetual Help school, have announced that graduation will be held, Friday evening, June 18, this year. Parents and friends will be invited to the ceremonies held at the church, 60 Wellington avenue. The program will begin at 8 p. m. Diplomas will be presented, as well as various special awards.

Servicemen's Club

(Continued from Page 1) the Saturday evening dedication program. A cordial invitation is extended to everyone to visit this center, which has been a project for many months with a small group of determined workers who resolved that Daly City would do something to make up for its lack of a U. S. O. or similar center which "the boys" could call their own.

DALY CITY FIRE DEPARTMENT HAS BUSY WEEKEND

Grass fires, a false alarm, and several bonafide, if insignificant, blazes gave Daly City's Fire department a busy weekend.

Alarms occasioned by grass fires included: one in back of the high school pump house, Thursday, May 20, with Company No. 6 responding; Friday, May 21, shortly after 10 p. m., grass fire at Citrus avenue and Woodrow street, with Companies No. 1 and 2 responding; Saturday, May 22, grass and rubbish fire in quarry at end of Lowell street, Companies No. 1 and 4 responded and ex-

tinguished; Sunday, May 23, 11:05 a. m., grass fire on Crocker hill between Crocker and Wellington avenues, Companies 1 and 4 responded.

There was a false alarm turned in at 7:57 a. m., Friday, May 21, from the Thornton school area. Companies No. 1 and 6 answered.

May 22 at 12:18 a. m. Companies No. 1, 2 and 4 rushed to a blaze occasioned when fire broke out in a bus transporting defense workers to South San Francisco via Hillside boulevard. The fire was promptly extinguished and no serious damage, except delay to

the workers, resulted.

Monday morning, May 24, Mrs. Victorine Lombard, 6556 Mission street, phoned in to report smoke coming from Gracie's, 6598 Mission street. Companies No. 1 and 6, supervised by Assistant Chief A. J. Bodien responded and found that someone apparently had thrown a cigarette into the basement, causing rubbish to catch fire. The situation was brought under control immediately.

THE MARITIME "M" PENNANT THE VICTORY FLEET FLAG MARITIME MERIT BADGES

★ ★ ★

WE, the workers who have been so signally honored, salute Rear Admiral Land, Rear Admiral Howard L. Vickery, Chairman of the Maritime Commission Board of Awards, and Mr. Carl W. Flesher, Pacific Coast Director of Construction, and pledge to them our solemn word that we shall not rest on these laurels, but that each and all of us will strive for even greater achievements in production—

UNTIL WAR'S FINAL VICTORY IS WON

WE salute also our former fellow-workers who, "Somewhere Out There," are fighting while we are building. To them, and to those others who will be leaving us shortly, we pledge our unflinching support here on the home front.

TO the men and women of this area who are not now engaged in War Work, or are not in agriculture, we say: You are needed in this Shipyard to replace our fellow-workers who are called to the Colors. Our employment office will gladly discuss the matter with you. Come and help us build more ships—

FOR VICTORY!

"Please limit your
call to 5 minutes.
Others are waiting"

MANY Long Distance calls go through about as fast as ever.

But sometimes there's an extra-heavy rush on certain circuits—especially in war-busy places.

Whenever that happens, the operator will ask you to limit your Long Distance calls to 5 minutes.

The idea is to give everybody a fair share of the wires. That gets to be more and more important every day.

18-Year-Olds Must Carry Draft Cards

Selective service registrants who were 18 years old on or before November 13, 1942, must have their local board classification cards (Selective Service Form 57), as well as their registration certificate (Form 2), in their personal possession after May 13. Men without both cards are liable to fine and imprisonment, Selective Service headquarters warned.

Congressman Jack Anderson Reports

Forced by the press of naval affairs investigation work, Congressman Jack Anderson, this week, in a telegram from Washington reported it would be impossible for him to make his usual radio report during May to the voters of his district. Congressman Anderson has been continuing investigations assigned to a sub-committee of the House Naval Affairs committee, of which he is a member.

The congressman will return to the air during June, and declared the material gathered in his investigation of problems allied with the war effort would provide information for an interesting discussion. In addition to the investigating program, he pointed out that Congress is flooded with important issues, which required deep consideration upon the part of members.

Congressman Anderson said he believes the solution of the income tax plan is close at hand, and that he believes there will be strong legislation to protect the country against further interruption in its war program.

Booktruck Drive Continues To Gain Momentum In D. C.

Booktrucks for the Junior Red Cross to distribute to hospitals for wounded servicemen in this area were "rolling off the assembly lines" in good order, this week, as four more contributors joined the campaign.

Old Glory Post and Auxiliary No. 2044, V. F. W., gave funds to purchase one booktruck each; Woodrow Wilson donated enough for two trucks, and Mrs. Ida Hanley, one booktruck.

Work of assembling the three-shelfed, wheeled trucks is done by members of the Daly City-Colma Lions club at the home of R. L. Crane jr., 140 Woodrow street. On each truck is placed the name of the contributor, whether an organization or an individual.

from the early days up to the present.

TO OUR WOMEN

(Bless 'em)

They're really getting in Hitler's Hair!

MAYBE they're not pulling the trigger that fires the gun but they're doing about everything else. High in the Sierra, a woman has just qualified as an operator of a giant hydro-electric power plant so she can take her husband's place.

A little white-haired grandmother is doing her bit converting old wool into lap robes for wheelchair patients.

A young mother is caring for a neighbor's children so the neighbor can finish a research project important to the war effort.

A stenographer is working evenings in a hospital as a Nurse's Aid.

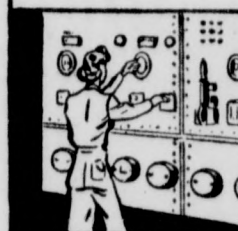

These are America's fighting women! Not merely the few doing brave, spectacular things, but all the millions of more or less untrained, inexperienced women cheerfully nerving themselves to jobs and responsibilities they never dreamed would be theirs!

Nobody can thank them; they wouldn't want it. But we can all say, you're making grand soldiers!...and more power to you in all the new things you are undertaking every day.

IN THIS COMPANY women are helping tremendously to keep up the steady flow of kilowatts vital to war production.

In addition to operating a power house—and a sub-station—women are serving as field clerks on construction crews, draftswomen, mappers, warehouse helpers, photographers, meter readers, truck and bus drivers, laboratory technicians, and in hundreds of more conventional jobs.

The saying, "We couldn't win without them!" most certainly applies to the women of the electric industry.

Woodrow Wilson P. T. A. Installs 1943-44 Officers

Officers for Woodrow Wilson P. T. A. were installed at the regular meeting of the unit, Tuesday, May 18, at Woodrow Wilson school. The session was called to order by President Mrs. Ida Hanley and the salute to the flag was led by Mrs. Catherine Foreman, who also read the Collect.

Several reports were given, including one on the annual convention at Millbrae by Mrs. Elsie Hesslein and a report on the year's activities by Mrs. Hanley.

R. L. Crane jr. gave an interesting talk on the booktrucks. Woodrow unit voted to contribute to the drive and gave enough money to purchase two trucks.

Mrs. Stella Jensen, president of Seventeenth district, made a talk and then installed the 1943-44 officers, using the Oak Tree installation ceremonies.

New officers are: president, Mrs. Elsie Hesslein; vice-president, Mrs. Hilda Heagney; honorary vice-presidents, Mrs. Alice Bryan and Miss Aileen Suber; recording secretary, Mrs. Lillian Thomey; corresponding secretary, Mrs. Ethel Saame; treasurer, Mrs. Florence Hopman; auditor, Mrs. Catherine Duffy; financial secretary, Mrs. Irene Williams; historian, Mrs. Mildred Ventura, and parliamentarian, Mrs. Ida Hanley.

Mrs. Hanley turned the gavel over to the new president. Mrs. Hesslein selected her chairmen for the year as follows: program, Mrs. Florence Hopman; life membership, Mrs. Emma Sorg; membership, Mrs. Hilda Heagney; finance and budget, Mrs. Catherine Foreman; publicity, Mrs. Mildred Ventura; magazine and emblems, Mrs. Ida Hanley; character and education, Mrs. Irene Williams; sunshine and sewing, Mrs. Martha Linden; motion picture, Mrs. Marsh; health, Mrs. Emily Lohr; hospitality, Mrs. Ethel Saame; Mrs. Lena Banfield, and Mrs. Lagomarsino; defense, Mrs. Betty Brush; adult education, Mrs. Catherine Duffy; delegate to installation of officers at Seventeenth district, San Mateo, Mrs. Heagney.

The next board meeting and sewing will be held at the home of Mrs. Hesslein, June 8.

Today, May 27, a whist party will be held at the home of Mrs. Foreman, 35 Woodrow street. Playing will begin at 1:30 p. m.

Before the meeting was adjourned, Mrs. Heagney, on behalf of the members, presented Mrs. Hanley with a lovely gift as a token of love and friendship.

After the meeting, delicious refreshments were served. The tables were beautifully decorated with blue and gold flowers. Blue and gold were used on napkins, dainty hand-made place cards and a beautiful cake with the words "Success to Elsie." The refreshments and decorations were in

Memorial Day Recipes

By BETTY BARCLAY

This year women have more cause than usual to worry about "what to serve on a holiday." Rationing and food shortages are with us in full force. Perhaps the following unusual recipes will help a bit. I sincerely hope so.

Fish Savories

2 cups Grape-Nuts Flakes, finely crushed
1 cup flaked cooked white fish
¼ teaspoon salt
Dash of pepper
½ teaspoon scraped onion
1 egg, beaten with 4 tablespoons milk and dash of salt

Combine 1 cup Flakes, fish, salt, pepper, onion, and 5 tablespoons egg mixture, mixing well. Shape in 2-inch cakes. Roll in remaining Flakes; then in remaining egg mixture; and roll again in Flakes. Fry in skillet in small amount of fat, browning both sides. Serve with tartare sauce or lemon slices. Makes 6 small savories.

White Gold Salad

1 cup grated raw parsnips
¾ cup orange sections
½ cup shredded tart apple
½ cup mayonnaise
2 tablespoons lemon juice
Combine the peeled, grated raw parsnip, orange and apple; chill. Add lemon juice and mayonnaise to the parsnip mixture and just before serving; mix well. Serves 6.

Celery Knob Ragout
4 small celery knobs or roots (about 1 pound) or 3 cups coarsely diced celery
2½ cups boiling water
½ teaspoon salt
½ pound ground beef
1 cup 40% Bran Flakes, crushed
5 tablespoons water
½ teaspoon salt
1 teaspoon finely chopped onion
½ cup cold water
4 tablespoons flour

Peel and cut celery knobs into small cubes. Cook, covered, in boiling water and salt 20 minutes, or until done. Remove from liquid. Combine meat, bran flakes, 5 tablespoons water, salt, and onion and mix well. Shape into small meat balls and drop, several at a time, into hot celery stock. Simmer. As balls rise to surface, remove; keep hot.

Measure stock and add water to make 1½ cups. Add cold water gradually to flour, mixing to smooth paste; pour into celery stock, stirring vigorously. Cook until thickened. Add celery and meat balls. Serves 4 to 6.

Marshmallow Maple

Rennet-Custard
1 package maple rennet powder
1 pint milk, not canned
5 marshmallows, diced.
Dissolve marshmallows in 1 cup hot milk. Then add 1 cup cold milk and warm slowly, stirring constantly until lukewarm. Then proceed according to directions on package. Chill, then serve.

TROOP NO. 4

Girl Scout Troop No. 4 will hold a court of awards, tomorrow, May 28, at Legion hall, beginning at 3:30 p. m. Merit badges will be presented by the troop's leaders, Mrs. Lucille Lemon and Mrs. Julia Petersen.

The fifth birthday of the troop will be celebrated during tomorrow afternoon's program.

TEA FOR MOTHERS

Girl Scout Troop No. 1 will entertain at a Mothers-Daughters tea, today, May 27, at Co. 5 firehouse. The scouts will meet at 3:30 p. m. and mothers are to arrive at 4.

Serving will be girls who are working for their hostess badges, under the supervision of Mrs. J. S. Calvin, leader.

During the afternoon's program, prizes for winners in the soap carving contest will be awarded.

The scouts are continuing their project of cutting flannel for the Red Cross to use as pillow fillers.

CROCKER P. T. A.

Crocker P. T. A.'s executive board and sewing club met at the home of Mrs. Orvilla D. Pauw, 859 Hanover street, Tuesday, May 25.

Members of the unit who attended the installation and publicity luncheon of Seventeenth district, C. C. P. T., Thursday, May 20, were Past President Mrs. Mildred Seiler, Vice-President Mrs. Beatrice Caratti, and Mrs. Pauw.

PERSHING UNIT

A brief executive board meeting will precede the general monthly business meeting of General Pershing P. T. A., Tuesday, June 1, at Pershing school. The board will be called to order at 1 p. m. All officers and chairmen are urged to be present.

Pershing's whist party, Friday afternoon, May 21, at the school, was a big success. Mrs. Sophie Evans, president, took charge of the affair.

OLPH Mothers Club Plans May 28 Whist

Mrs. Isabelle Nassano, chairman, has issued a cordial invitation to the public to attend the monthly whist party of the Mothers Club of Our Lady of Perpetual Help school at Masonic hall, tomorrow, May 28, 2 p. m.

There will be many attractive prizes, including a cash first, the chairman announced. Price of score cards is nominal. Proceeds from the party will be used for the benefit of the school.

ABOUT TOWN

The communicable diseases report, made by the San Mateo County Department of Public Health and Welfare, for the week ending, May 8, showed eleven cases of chicken pox, one of German measles, two of measles and six of mumps in Daly City.

Mr. and Mrs. Francis M. O'Neill, Daly City, are the proud parents of a daughter born, May 7, in San Francisco.

A marriage license was issued, last week, in San Francisco, to Thomas Lischka, 23, U. S. Navy, and Alvena Wheeler, 20, Daly City.

George Breuning, 25, U. S. Army and Lola Paganelli, 24, 3170 San Jose avenue, were recently issued a marriage license in San Francisco.

Mr. and Mrs. Irvin G. Derrick and family, 47 Risel street, have been hosts to several friends lately. Mrs. Joseph W. Peterson, of Salt Lake City, Utah, who has been their house guest for several weeks, returned to her home, Monday. On Saturday, May 22, Mr. and Mrs. N. Pratt Smith, Watsonville, visited at the Derrick home.

COURT ST. MARY ELECTS OFFICERS

At the last meeting of Court St. Mary No. 1155, C. D. A., the members present voted to make a donation to the Service Men's club that is being opened in Daly City.

Court St. Mary and the Catholic Daughters Courts of Burlingame, and Redwood City, are to hold a joint initiation at Burlingame, June 9. A large group of members plans to attend.

The following officers were elected, last Thursday, to serve one year: grand regent, Mrs. Frances Tamony; vice-grand regent, Mrs.

Helen Rode; prophetess, Mrs. Kathryn Salisbury; lecturer, Mrs. Christine Stephenson; historian, Mrs. Evelyn Weckerle; financial secretary, Mrs. Grace Bacigalupi; treasurer, Mrs. Christine Michelson; monitor, Mrs. Helen McDonough; sentinel, Mrs. Virginia Rengstorff; organist, Mrs. Hattie Kelly; trustees for three years, Mrs. Ida Grummel, Mrs. Katherine Phelan.

Installation of officers will be held in the Blue room at Masonic hall in June.
